your essential catalogue for outdoor leisure, home & garden

Welcome to Quest

Established for over 30 years, Quest Leisure is a leading supplier of quality products to the caravan, camping, outdoor leisure, home and garden sectors. Our own brands are exclusively designed to meet customer needs in which we pride ourselves on the quality and features we build into them.

Our extensive range of products is available for all traditional and contemporary buyers within the camping and caravanning sector along with the home and garden sector too.

Within our warehouse we hold substantial stock ready for immediate delivery. Orders are normally despatched within 48 hours. Your orders can be placed with our sales team, sales office and online.

Contact us today and set up your own personal password to order 'online'.

Buy with Confidence

To be certain of obtaining higher quality products made to the highest possible standards, where manufacturing and testing processes are truly thorough, buy with confidence from Quest.

Not only do we have our own agents worldwide, you can be assured that we visit every one of our suppliers each year to give you a guarantee of continuous quality and confidence that products, processes and delivery match our excellent standards.

Always looking to improve our services, we have invested in our own infrastructure and, have dedicated staff covering all areas of our business on hand to help or offer guidance; simply give us a call.

At Quest we offer extra services and support to all of our customers as standard. These extra services and support are available to any of our customers, at any time and without any extra costs.

Dedicated Staff

We have a dedicated returns, parts and service team who look after all our returns and help with requests for parts and information on our products. We have multiple lines coming in on our standard number **(01527 516518)** which comes straight through to our office team who not only process your orders, but also provide first line help and support all of our customers.

We have a dedicated Canvas Queries team who look after all the queries, issues, warranties and registrations of our canvas models and are available to all of our customers.

Automated Services

We also offer automated stock services to any of our customers. This could be a simple automated email that lets you know current stock levels every day, or a full blown export of our products which contains, barcodes, stock status, extended descriptions and anything else.

We have also introduced an website extract which is specific to yourself and contains all the required information to help you maintain and update your own website easily and efficiently.

WEEE and Packaging Compliance

We have just introduced automated WEEE and Packaging Waste exports for customers as well. We know how difficult and time consuming collecting all the information required for the Government WEEE and Packaging regulations, so we have done all the work for you and can simply email you the totals whenever you wish.

We are always expanding the services we offer to our customers and if there are any specific requests you have, simply ask and we will investigate them for you.

Platinum AGM

Longer Life Faster Charge

The brand new Absorbed Glass Mat range from Platinum batteries.

Platinum's AGM (Absorbed Glass Mat) sealed maintenance free batteries have a number of design features that delivery optimum performance, heavy duty cycling and extra long life beyond the Platinum Leisure and Leisure Plus range.

- **Heavy Duty Grid with Absorbed Glass Mat Separators:** Holds electrolyte like a sponge to prevent acid spillage and provides up to **5 times more cycles** than a standard leisure battery.
- **Advanced Plate Design:** High pur lead oxide gives extended life, high resistance to corrosion and reduces self-discharge.
- **Regulated Individual Cell Values:** To ensure optimum float and discharge performance.
- **Sealed Construction:** Unique construction ensures no electrolyte leakage from terminals or case.
- **Gas Regeneration:** Unique safety design recombines around 99% of the gas generated during normal usage.
- **Faster Recharge:** Reduced charging time compared to the Leisure and Leisure Plus range.

Grangers Fabsil
The best protection

Nothing takes the fun out of camping like a leaking tent, but by using the Fabsil range of products you can keep your tent performing at it's best.

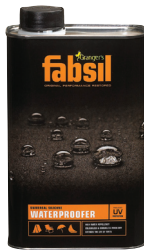

Fabsil replicates the original finish applied at manufacture.

By using it you can restore the waterproofing of tents and other equipment, allowing them to perform like new.

Grangers Fabsil

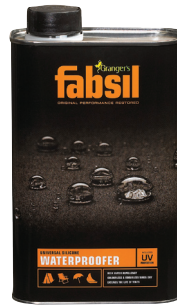

The leading silicone based reproofing solution with mildew inhibitor for woven, natural, and synthetic fabrics. A highly effective silicone-based water repellent treatment for all kinds of tent, tarpaulin, canopies and awning fabrics. Spray application, dries to an odourless and colourless finish.

Quest Elite® Quick Up Range No assembly and Seconds to Erect

The Quest Elite quick up camping range is a range of camping furniture with an exclusive easy to use quick up system that means it only takes seconds to erect your furniture. All these items feature the same 'easy clip' system that means erecting the product is just a case of opening the product out and clipping the hook in place, nothing could be simple or quicker.

There is nothing to assemble, or adjust, just clip the easy clip system in place and you are done.

All the products feature premium quality materials and workmanship. They feature high quality onyx effect shelves, fully zipped and tie backed doors and various different configurations. All the items fold away in seconds and come with their very own high quality carry case making them easy to store and carry.
