Welcome to the Quest Leisure Garden and Home Selection 2016

Established for over 30 years, Quest Leisure is a leading supplier of quality products to the caravan, camping, outdoor leisure, home and garden sectors. Our own brands are exclusively designed to meet customer needs in which we pride ourselves on the quality and features we build into them.

Our extensive range of products is available for all traditional and contemporary buyers within the camping and caravanning sector along with the home and garden sector too.

Within our warehouse we hold substantial stock ready for immediate delivery. Orders are normally despatched within 48 hours.

Your orders can be placed with our sales team, sales office by telephone, email or fax and online.

Contact us today and set up your own personal password to order 'online'.

Buy with Confidence

To be certain of obtaining higher quality products made to the highest possible standards, where manufacturing and testing processes are truly thorough, buy with confidence from Quest.

Not only do we have our own agents worldwide, you can be assured that we visit every one of our suppliers each year to give you a guarantee of continuous quality and confidence that products, processes and delivery match our excellent standards.

Always looking to improve our services, we have invested in our own infrastructure and, have dedicated staff covering all areas of our business on hand to help or offer guidance; simply give us a call.

At Quest we offer extra services and support to all of our customers as standard. These extra services and support are available to any of our customers, at any time and without any extra costs.

Dedicated Staff

We have a dedicated returns, parts and service team who look after all our returns and help with requests for parts and information on our products. We have multiple lines coming in on our standard number (01527 516518) which comes straight through to our office team who not only process your orders, but also provide first line help and support all of our customers.

We have a dedicated Canvas Queries team who look after all the queries, issues, warranties and registrations of our canvas models and are available to all of our customers.

Automated Services

We also offer automated stock services to any of our customers. This could be a simple automated email that lets you know current stock levels every day, or a full blown export of our products which contains , barcodes, stock status, extended descriptions and anything else.

We have also introduced an website extract which is specific to yourself and contains all the required information to help you maintain and update your own website easily and efficiently.

WEEE and Packaging Compliance

We have just introduced automated WEEE and Packaging Waste exports for customers as well. We know how difficult and time consuming collecting all the information required for the Government WEEE and Packaging regulations, so we have done all the work for you and can simply email you the totals whenever you wish.

We are always expanding the services we offer to our customers and if there are any specific requests you have, simply ask and we will investigate them for you.

Quest Elite® Zero Maintenance Range Premium quality and no maintenance

The zero maintenance range are as they saw the easiest to maintain sets available - you do nothing. They are made of solid recycled plastic. They are the same colour throughout so they will not fade, they do not need to be varnished, treated, painted or laquered. Even if they do get scratched or gouged they can be fixed by heating the affected area and allowing the material to melt and reform.

They are simply put in place and enjoy..

Quest Elite® Duratech Table Range More durability and style built in

The new Duratech range features a brand new and exclusive tabletop and frame coating. The table top is more durable than previous tables and offers better scratch resistance, water resistance and heat resistance than others. The new frame coating is an excellent premium coating which looks much better than its rivals and the new table top adds that look and feel of a premium product.

All the range feature lightweight aluminium frames, adjustable heights and independently adjustable levelling legs.

Gazebos and Shelters

The Screen House

1 Person 1 Minute

This is the excellent Quest Elite Instant Spring Up Screen House. This is a multi-use gazebo, screen house or event shelter. It is perfect for entertaining in the garden, away at events, a covered social area when camping, in fact the uses are almost limitless.

The screen house features the unique spring up frame system which allows 1 person to erect this screen house in under a minute. There is no frame to erect, nothing to put together or adjust, it goes up in three simple steps.
