# Use, Storage , Care and Cleaning

Details on how to use and look after your product.

## Storage

To help keep your product looking newer for longer and prolong the life and use of the product, we recommend that the product is covered when not in use.

If the product is not going to be used for an extended period (such as a winter period) we recommend that it is carefully folded away and stored in a clean, dry and free from damp location.

## Care and Cleaning Instructions

Never use and harsh or abrasive cleaners or brushes when cleaning this product as the fabric may be damaged when doing so. Never fold and put the product away when wet as this can trap water in the product, which can lead to mould and mildew build up.

- **Fabric :** We recommend using a dedicated fabric cleaner for the fabric, if one is not available simply warm soapy water. After it has been cleaned, rinse with clean water to make sure there's no soap or cleaner left inside the fabric. Once rinsed allow the product to dry naturally before folding away and storing.

## Putting the Inner Tent Up

- Unfold the inner tent
- Place the pole clips around your internal poles. If your poles are too large for the clip to fit then you can use any other fixing method to attach the clips or elastic loops to your poles.
- Peg the corners of the inner tent down using the included pegs and webbing loops in each corner.

## Taking the Inner Tent Down

- Unzip the front door.
- Unpeg the inner tent first and then remove it from your internal poles.
- Once removed fold the inner tent away and place into storage bag.

## Insert Artwork

Below is a copy of the insert that came with your product. This is just for your reference and you should still keep the original that came with your product.
