C0091 : Lantern and insect killer

C0091 : Lantern and insect killer full instructions

Thank you for purchasing this product. At Quest we take every care to ensure that the product fulfills your expectations. We hope you enjoy using this product.

This is not a toy. Children should not be left unattended with the product. This item contains small parts and is not suitable for children under the age of 5.

General Use

Failure to follow the general use instructions below could lead to damage to the product or injury to your person. Always read and follow these instructions when using the product.

- Please keep these instructions, the sales receipt and, if possible, the carton with the inner packaging.
- This product is not intended to be used by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instructions concerning the use of the product by a person that is responsible for their safety.
- By ignoring the safety instructions the manufacturer can not be held responsible for any damage or injury caused by the product.
- Make sure that the product is stored in a dry environment.
- This product complies with all standards regarding electromagnetic fields (EMF). If handled properly and according to the instructions in this user manual, the product is safe to use based on scientific evidence available today.
- Do not look directly into the LED light when in use, as this may cause damage to your eyes.
- Turn off the light while charging.
- Children shall not play with the product, even when not turned on.
- When in use keep away from other heat sources, plugs, flammable and explosive objects.

C0091 : Lantern and insect killer full instructions

Warranty : 12 Months (1 Year) warranty.

Warranty Claim

- In the unlikely event of a warranty claim, you must contact your retailer.
- If you have not registered your product, first fill out the registration form overleaf and take this with you when you go to your retailer.
- Take the product to your retailer that you purchased it from along with your proof of purchase and explain the issue with the retailer.
- The retailer will then check the product and get in touch with the wholesaler or manufacturer.
- The retailer will keep you informed of the progress of the claim.
- The wholesaler or manufacturer will not (unless under special circumstances) get in touch with you as all information will be passed back directly to the retailer.

Warranty Information

- This product comes with a full 12 month manufacturers defect warranty and covers any manufacturers defects for one (1) year from the date of the original purchase. It does not cover any damage occurred though:
 - The product falling, being dropped, scratched or damaged in any way.
 - The product has been technically changed by the owner or another third party
 - Improper use of the product.
 - Normal wear and tear - which includes (but is not limited to): colour fading, wearing, stretching.
 - Weather damage - which includes (but is not limited to) U.V. degradation and colour changing.
- The affected part will be replaced or repaired (manufacturers option) if they are found to be defective within the one (1) year time frame.
- The warranty will be void if the product has been subject to neglect, misuse, improper installation, misapplication, alteration or accident including, but not limited to, improper installation, maintenance or use of unauthorised parts or attachments.
- Damage caused by not following the instruction manual in full will invalidate the warranty, if this results in consequential damages, Quest will not be liable for these damages or any costs incurred due to these damages.
- Quest will not be liable for material damage or personal injury caused by improper use or if the safety instructions are not properly executed in full.
- All claims must be made through the retailer you purchased the product from and not direct with the wholesaler or manufacturer.
- Warranty claims cannot be honoured without an original dated receipt and or proof of purchase.
- By executing repairs the original warranty period of one (1) year will not be extended, nor the right to a complied new warranty. This warranty is only legal on European soil.
- This warranty does not overrule the European directive 2011/83/EU.
- This product may not be amended or changed.

C0091 : Lantern and insect killer full instructions

Useage

- **Camping light** : Press the On/OFF button repeatedly to change the lightness levels, between 20%, 50% and 100%. Pressing it again turns the light off.
- **Insect light** : Press the insect button to turn ON or OFF.
- **Charging** : To charge the lantern, first turn the light off. Then connect the USB cable to the charging point and the charging indicator will go red whilst it is charging. The charging indicator will go green once it has charged fully.

Care and Maintenance

- Ensure the lantern is turned off before cleaning or maintenance and always ensure it is fully dry before turning it on.
- The rechargeable battery on this light works best if it is completely flat before each recharge.
- If the lantern gets dirty it can be cleaned by running it under a tap to remove the majority of the dirt and then rubbing with a non abrasive cloth to remove the rest.
- Never use detergents or abrasive cleaners or cloths as these may damage the coating or the lantern itself.

Lantern Features

1. Hanging hook
2. Micro USB charging input
3. Camping light switch
4. Insect light switch
5. Ultraviolet LED
6. Insect killer net
7. Charging indicator
