## Ziarat e Aal e Yaseen (as)

Ziarat Aal-e-Yaseen is another important Ziarat of Imam-eZaman (a.s.). It is actually a Hadith Qudsi (direct saying of Allah (swt)) as reported in Mafatih-al-Jinnan. According to the traditions, "Aal-e-Yaseen" is equivalent to "Aal-eMuhammad (pbuh&hf)" and is the correct pronunciation (Qira'at) of verse 37:130 of the Holy Quran. Beside its superb beauty, one of the interesting points about this Duaa is that, in it, we confess all the central beliefs one by one.

In the Name of the Most beneficent & the Most Merciful

Peace be upon the progeny of Yaseen. Peace be upon you, O the caller of Allah and place of manifestation of His signs. Peace be upon you, O the door of Allah and the devout one of His religion. Peace be upon you, O the vicegerent of Allah and the helper of His truth. Peace be upon you, O the proof of Allah and the Guide of His intention. Peace be upon you, O the reciter of Allah's book and its interpreter. Peace be upon you in your night and in your day. Peace be upon you, O the remnant of Allah on His earth. Peace be upon you, O the covenant of Allah, which He took it and He fastened it. Peace be upon you, O the promise of Allah which He guaranteed it. Peace be upon you, O the manifested flag and the one who is filled with knowledge and the help and the far-reaching mercy a promise which is not a lie. Peace be upon you while you are standing

Peace be upon you when you are reading and explaining

Peace be upon you when you are praying and supplicating.

Peace be upon you when you are bowing and prostrating.

Peace be upon you when you are saying "There is no God except Allah' and (when) you are saying 'Allah is greater (than what He is described).' Peace be upon you when you

are praising (Allah) and seeking forgiveness. Peace be upon you when you enter the morning and the evening. Peace be upon you in the night when it envelops and the day when it becomes manifest. Peace be upon you, O the leader, the protected one. Peace be upon you, O the prior hoped one. Peace be upon you by the collections of the salutations. I call you as a witness, O my Master, certainly I testify that there is no god except Allah, He is alone, there is no partner with Him. And indeed I testify that Mohammad is His servant and His Apostle; There is no beloved except him and his progeny. And I call you as a witness, O my Master certainly Ali, Ameerul Momineen, is His Hujjat. And Hasan is His Hujjat And Hussain is His Hujjat. And Ali, son of Hussain is His Hujjat And Muhammad, son of Ali is His Hujjat. And Ja'far, son of Mohammad is His proof. And Musa, son of Ja'far is His Hujjat. And Ali, son of Musa is His Hujjat. And Ali, son of Mohammad is His Hujjat And Hasan, son of Ali is His Hujjat And I testify that indeed you are the Hujjat (proof) of Allah. All of you, the first and the last. And surely your return is a truth, there is no doubt in it. The day when belief of none will benefit himself who previously did not believe or acquired a goodness through his belief. And indeed death is a truth. And indeed Naakir and Nakeer is a truth. And I testify that indeed the scattering (stage of Qiyamat) is a truth and the raising is a truth. And indeed the Pul e Sirat (bridge over hell) is a truth and the watching place is a truth. And the balance is a truth and the gathering is a truth And the Hasab (accounting) is a truth and the Paradise and the hell is a truth. And the promise of reward and the threat of the punishment in them is a truth. O my Master, one who opposes you is unlucky. And one who obeys you is lucky. And I am a friend for you, acquitted from your enemy.

Then testify whatever I made you a witness upon it. So the truth is whatever you are satisfied with. And the untrue is whatever you are angry with.

And the goodness is whatever you ordered. And the evil is whatever you have prohibited from. So I am a believer in Allah, He alone, there is no partner with Him.

And I am a believer in His Apostle and in Ameerul Momineen. And in you O my Master, the first among

you and the last among you. And my help is intended for you. And my love is purely for you. Amen! Amen !

Save me from those trials in which You involve Your creatures. And keep me steadfast on the obedience of Your Wali whom You have concealed from the view of Your creatures. Who is waiting for Your command and You are the learned without being taught, about the time when the circumstances of Your Wali will be reformed and when he will reappear and the veil of occultation shall be opened. Then give me patience so that I don't make haste in what You have delayed or that I be inclined to the delay of that which You want to hasten. And that I do not ask of the exposition of what You have concealed. And search for that which You have concealed. Or that I should be

dissatisfied with what You have decreed. And I should not say why and how the hidden Imam is not reappearing while the world is fraught with injustice and the incomparable elegance of Your Wali when his rules shall be enforced. I know that the proof, argument, evidence, exigency, intention and strength is all for You only. So do this favor on me and the believers that we see Your Wali Amr. Your bliss be on him and his progeny. In this way should His command become apparent and his guidance should become clear. He is one who brings out from misguidance to guidance and one who cures from the malady of ignorance. O Lord, reveal his countenance, make his pillars firm and include us among those who witness his incomparable elegance. And give us the good sense (Taufeeq) to serve him. And that we may die on his faith and are raised in his army. O Allah, protect the hidden Imam whom You have created from every kind of mischief, whom You brought from nonentity to being, whom You created, raised up and gave a form. And protect the Imam from the evil that comes to him from the front and from behind. From right and the left. From above and from below. Keep him in Your protection. In a protection after which none can harm him. And through him protect the Prophet and the successor of the Prophet. O Allah, give the Imam of the Age a long life. Increase his lifespan. Help him in the Wilayat and rulership that you will grant to him. He is the guided one, one who will establish the truth, the pure, pious, sincere, satisfied, pleasing, patient, one who makes effort in the way of Allah and the thankful one. O Allah, do not destroy our certainty due to the prolongation of his occultation and due to lack of news about him. Give us perfect faith in his remembrance, in his awaiting and in him. Do not make us careless of our duty of praying for him and for invoking divine blessings on him. Do not make us fall in despair for his reappearance and we should have firm certainty in his advent like was revealed on the Prophet. Make our faith in these things strong. Till You make me walk the path of guidance by the Great Proof and the middle path. Give us the capability of his obedience and keep us steadfast in following him. Include us among his forces, his friends and his helpers. And make us among those who are satisfied with each of his actions. And don't deprive us of this bounty; neither in the lifetime nor at the time of death. Till we

die on the same faith and certainty. Make us not among those who doubt or those who break the covenant or those who fall in sloth or those who deny. O Allah, hasten his reappearance and help him and help those who help him. Abandon those who desert him and destroy those who are inimical to him and those who deny him. Through him make the true religion apparent. Through him destroy falsehood. Through him save the believers from degradation. Inhabit the cities through his blessings. Eliminate the oppressors of disbelief through him. Destroy the strength of the leaders of the misguided ones and humiliate the tyrants and disbelievers through him. Through him destroy all the hypocrites, oath-breakers, irreligious that live in the east and the west of the earth, on land and on water, in plains or hills so that neither their cities should remain nor their vestiges. And that Your cities may be purified from them. And cure the hearts of Your servants from them, and through the Imam of the Age revive all that has been destroyed from Your religion, all the laws that have been changed and all Your practices that have been altered. Through the Imam reform all these things so that Your religion get a new lease of life and becomes perfect. The divine laws should become worthy of being followed without any hesitation and innovation. Due to his just rule the fire of disbelief should be extinguished because he is the one whom You chose him for Your knowledge and protected him from sins and immune from all defects. And You informed him of the secrets of the Unseen and sent Your bounties upon him. You kept him away from every impurity and clean from every ignorance and disobedience. O Allah, bless them and their purified forefathers. And on their prominent Shias; and fulfill his hope. And keep this supplication of us pure from every doubt and show-off. So that we do not intend to please anyone but You. O Allah, we beseech in Your court that our Prophet is also not among us. And our leader is also hidden from us. We are surrounded by hardships and trials of the world. The enemies have got an upper hand over us. Your opponents are more and our numbers are few. So, Allah, save us from these calamities at the earliest and give us victory through the just Imam. O the true deity, accept our plea. O Allah, we beseech You to permit Your Wali to express Your justice among Your servants and that he may slay Your

enemies till there does not remain any caller to oppression. O Lord, demolish the pillars of oppression and destroy the foundations of tyranny. Demolish their pillars and blunt their sword. Make their weapons useless. Lower their flags and eliminate their fighters. Put discord into their forces. O Lord, send down hard stones upon them and hit them with Your sharp sword. Do not turn away the severity of Your chastisement from the criminals. Send down chastisement on the enemies of Your Wali and the enemies of Your Messenger through the hands of Your Wali and the hands of Your servants. O Lord, suffice for Your Hujjat and Your Wali in the earth from the fear of their enemies. And nullify the plots that they devise for him. Imprison in the circle of evil one who intends bad for the Qaim. Remove the mischief of the world through his blessed existence and put awe into the hearts of his enemies. Make the steps of his enemies waver. Leave his enemies confused and send down severe chastisement on them. Degrade them among Your servants. Make them accursed in Your cities. And put them in the lowest level of Hell. And send your worst punishment for them. Fasten them with fire and fill the graves of their dead with fire. And tie them with the fire of Hell. They are the same who considered Prayer unimportant, who followed their base desires and humiliated Your servants. O Allah, revive the Quran through Your Wali. Show us its effulgence which is permanent and in which there is no darkness. Enliven the dead hearts through him. Cure the hearts which are full of malice. And through him bring together on truth different selfish desires. Through him revive the laws that have been made obsolete so that the truth becomes triumphant and justice is established. O Lord, include us among his helpers. That we may strengthen his rule and be of those who follow his commands and are satisfied with each of his actions. Make us of those who submit to his commands. Make us such that people do not have to resort to dissimulation from us. O Lord, You are the only one who saves from every harm. You answer the prayer of the helpless. You save from great sorrow and pain. Thus O Lord, remove every harm from Your Wali. Appoint him as Your Caliph on the earth as You have decided about him. O Lord, do not make me of those who dispute with the Aal e Muhammad and don't

make me among their enemies. Don't make me one who is displeased and angry with Aal e Muhammad. Thus I seek Your refuge from this; so please give me refuge. And I beseech You to grant me. O Allah, bless Muhammad and the progeny of Muhammad and make me successful with them in the world and the hereafter and make me from those who are proximate to You.

## **Namaz e Sahibul Zaman (atfs)**

This Namaz is highly effective to disperse calamities, and to remove hardships and difficulties. It is a 2 rakat Namaz, prayed exactly like the Fajr Namaz, on Friday, with the following adjustments:

(i) In the 1<sup>st</sup> and the 2<sup>nd</sup> rakat, while reciting Suratul Fatiha, when you come to *iyyaaka naa budu wa iyyaka nastaeen*. Recite this 100 times, then continue to recite the Surah in full, and then recite Suratul Ikhlaas.

(ii) After Salaam, recite the following Dua: My Allah, irretrievable is our plight, Our helplessness causes pain and trouble, (now our) urgency has been laid bare (before Thee), (all) hopes have been cut off. The (plentiful) earth has shrunk (with very little to spare) for us, The heavenly blessings have been withheld. We call upon Thee for help. We refer our grief and sorrow to Thee. We have full faith in Thee, in the time of distress as well as in good fortune. O Allah, send blessings on Muhammad and on the children of Muhammad. The Ulil Amr (authority), obedience to whom has been made obligatory, Through which their high status has been made known. Therefore let there be joy after sorrow for us for their sake, right away, in the twinkle of an eye, more rapidly. O Muhammad O Ali O Ali O Muhammad Give me enough, because both of you provide sufficiently. And help me, because both of you help and protect. O our Master, O the authority of our times (Saahibaz Zamaan), Help! Help! Come to my help. Come to my help. In this hour. In this hour. In this hour. Be quick. Be quick Be quick O the most merciful for the sake of Muhammad and his pure progeny O Allah, send blessings on Muhammad and on the progeny of Muhammad.
