The Rollaway

The Rollaway is a state of the art porch awning. The awning stays on the side of your caravan at all times. When you get to your destination, simply unroll the roof, slide out the legs and you have your canopy. It can be used as a canopy only, a standard awning and even a panorama awning where you have both an awning and a covered open area.

The ideal solution for anyone after an easy to use, extremely stable porch awning with additional modes of use.

Rolls out of the bag
Stays attached to the van
Multiple modes of use

Why Multi-Purpose and Configurable?

The Rollaway awning has a unique feature where you can use it in panorama mode. This mode allows you to have part standard awning and part sun canopy to give you the best of both worlds.

Each front panel is independent of each other. They can be rolled up, used as a canopy or even removed, giving you the ultimate in flexible, multi-purpose awnings.

Features

- Roll Out Awning
- Quick and Easy to Erect
- Sun Canopy Only Mode
- Only Minutes to Erect
- All Round Easy Clamps
- Multiple Panoramic Mode Options
- Tinted Clear View, Anti-Freeze Windows
- One Piece Heat Reflective Roof

The Snowdon

The Snowdon is designed and built like no other awning. It is built from the ground up to withstand the elements and is perfect for the longer stay. It features a stronger frame structure, a heavy duty roof and Quest Tec5 Fabric, to produce the strongest and most weatherproof awning in its class.

The ideal solution for those after an any season porch awning built to withstand the elements and perfect for the longer stay.

Why Extended Stay?

This awning is ideal for the extended stay due to its extra strength and ability to withstand the elements.

It has an extra strong roof capable of withstanding snow. It features a unique and solid frame design that is extremely strong and low maintenance. The solid frame is completed with the extremely durable any season Quest Tec5 Fabric.

Features

- Quest Tec5 Fabric
- 5 Year Anti Fade Warranty
- Solid Frame Design
- Easy Lock Clamps
- Easy Fit Roof Bracket Pads

The Kensington Plus

The Kensington Plus is a quality, excellent expandable porch awning. It combines the excellent Quest Tec5 Fabric which is lightweight, extremely durable and easy to maintain along with style, class leading features and an expandable living space into one easy to erect porch awning package.

The ideal solution for those after a high quality awning, with all the benefits of an expandable awning with the added advantage of ease of use of a porch awning.

Why Expandable?

This awning can be extended by the addition of one or two optional extensions.

These extensions simply zip in to the side of your awning, giving you extra rooms, space, bedrooms or storage. As these extensions are optional it gives you extra flexibility as you can use the awning with or without them.

The Windsor Plus

The Windsor Plus is a quality, space saving porch awning. It combines the excellent Quest Tec5 Fabric which is light weight, extremely durable and easy to maintain, along with style and class leading features in to one very easy and quick to erect porch awning package.

The ideal solution for those after a high quality awning where ease of use is the most important, or where space is at a premium.

Why Space Saving and Easy to Erect?

This awning has a small footprint, so it can be used where space is limited.

The small size and low weight help make this awning easy to erect. The frame design and ability to remove the front panel means that this awning can be erected by one person.

Features

- Quest Tec5 Fabric
- 5 Year Anti Fade Warranty
- Steel or Alloy Frame
- Easy Lock Clamps
- Easy Fit Roof Bracket Pads
- One Piece Heat Reflective, Fully Printed Roof

- Hydrostatic Head: 3000mm
- U.V. Rating: 50+
- Depth: 190 cm*
- Width: 230 cm*
- Height: 215 cm*
- Weight: 3.7 kg* (Total weight including carry bag)

*All sizes and weights are approximate

Why Universal?

This shelter can be used virtually anywhere and for many different occasions.

It uses adjustable suction pads to attach. This allows you to attach it to a variety of different surfaces, vehicles or buildings, giving you great flexibility in its use.

The adjustable straps allow it to be attached to a variety of different sized vehicles or buildings.

Multi Purpose Utility

The Multi Purpose Utility and Storage Tent can be used as a simple storage tent, an easy to use shower tent or even your own private toilet tent.

Can be erected by one person in a matter of seconds, lightweight, easy to carry and store. The ideal solution for anyone looking for an easy to use storage or utility tent.

Why Multi Purpose?

This tent is a multi purpose unit that has a number of different uses.

It can be used as a storage tent. The removable floor allows it to be used as a toilet tent and the addition of the utility shelf allows it to be used as a shower tent.

Multiple uses and erects in seconds.

Features

Annexes, Accessories and Extras

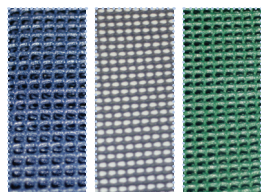

Kensington Annex

The purpose built extension for the Kensington plus awning. It is made from the same 5 year anti-fade quest tec5 material and extends your awning by 2m.

Features

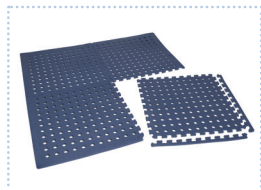

- Quest Tec5 Fabric
- 5 Year anti fade
- Easy lock clamps
- Easy clean and maintenance
- Privacy windows
- In Built Ventilation

Matting

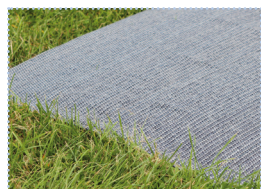

QUESTLITE

Questlite is an extremely hard wearing, fully breathable, luxurious feeling flooring. It comes in rolls or precut sizes and you can cut it to your own size and shape.

TREADLITE

Treadlite is a very hard wearing, breathable weaved flooring. It comes precut and is hemmed for extra strength. It has a dense weave so even though it is breathable it does not allow insects or worms through.

FLOORLITE

Floorlite is an extremely lightweight, versatile, quick and easy interlocking foam flooring. It comes with 4 floor tiles per pack

Inner Tents

For a full range of spare, replacement and additional poles, parts, curtains and more please see your authorised Quest awning dealer. You can find your closet dealer by visiting www.questleisure.com/retailers.
