Care and Cleaning Instructions

Never use and harsh or abrasive cleaners or brushes when cleaning this product as the inner and outer fabric may be damaged when doing so.

Never fold and put the product away when wet as this can trap water in the product, which can lead to mould and mildew build up.

- **Fabric** : We recommend using a dedicated fabric cleaner for the fabric, if one is not available simply warm soapy water. After it has been cleaned, rinse with clean water to make sure there's no soap or cleaner left inside the fabric. Once rinsed allow the product to dry naturally before folding away and storing.
- **Inner** : The waterproof inner can be wiped with a damp cloth and cleaned with warm soapy water. It must be dried thoroughly afterwards.
