Storage , Care and Cleaning

Details on how to look after your product.

Storage

To help keep your product looking newer for longer and prolong the life and use of the product, we recommend that the product is covered when not in use.

If the product is not going to be used for an extended period (such as a winter period) we recommend that it is carefully folded away and stored in a clean, dry and free from damp location.

Care and Cleaning Instructions

Never use and harsh or abrasive cleaners or brushes when cleaning this product as the frame and table may be damaged when doing so.

Never fold and put the product away when wet as this can trap water in the frame and this could lead to rust or mould growth.

- **Tabletop** : The tabletop can be cleaned by soap and warm water. If you have any stubborn dirt on it, leave it to dry then brush off with a stiff (not hard) brush before cleaning.
- **Frame** : First allow any dirt to dry and brush with a soft brush to remove loose dirt. Once this is done wipe the frame down with warm soapy water and a soft cloth. Once cleaned allow to dry naturally before storing away.
