*to the great outdoors*

**RDF2081G** Kew Recline

• Full item instructions and extended details •

# Thank you

for purchasing this product. At Quest we take every care to ensure that the product fulfils your expectations. We hope you enjoy using this product

## General Use

Failure to follow the general use instructions below could lead to damage to the chair or injury to your person. Always read and follow these instructions when using the product.

- Always ensure that the arms are locked in position before leaning against the back of the chair.
- Always ensure all legs remain in contact with the ground and take extra care when using the chair on uneven ground as this can lead the chair to move about.
- Children should always be under direct adult supervision when using this product and must not be allowed to operate any folding or adjustable mechanisms.
- Keep hands away from folding parts to prevent entrapment. Take care when opening, closing and or adjusting this product.
- Ensure that the side table is folded away before folding the chair.
- Do not force the product at any time, the product will fold away without the need for undue force.
- Do not leave outside in severe weather conditions.
- Please retain all information for further reference

# Storage , Care and Cleaning

Details on how to look after your product.

## Storage

To help keep your product looking newer for longer and prolong the life and use of the product, we recommend that the product is covered when not in use.

If the product is not going to be used for an extended period (such as a winter period) we recommend that it is carefully folded away and stored in a clean, dry and free from damp location.

## Care and Cleaning Instructions

Never use and harsh or abrasive cleaners or brushes when cleaning this product as the frame and fabric may be damaged when doing so.

Never fold and put the product away when wet as this can trap water in the product, which can lead to mould and mildew build up.

- **Fabric** : We recommend using a dedicated fabric cleaner for the fabric, if one is not available simply warm soapy water. After it has been cleaned, rinse with clean water to make sure there's no soap or cleaner left inside the fabric. Once rinsed allow the product to dry naturally before folding away and storing.
- **Frame** : First allow any dirt to dry and brush with a soft brush to remove loose dirt. Once this is done wipe the frame down with warm soapy water and a soft cloth. Once cleaned allow to dry naturally before storing away.
- **Side Table (If applicable)** : Simply wipe the table down with warm soapy water and a soft cloth. Once cleaned dry with a towel or soft cloth afterwards.

# Folding and Unfolding

Details on how to use your product.

## Folding and Unfolding

- Take the chair from the bag and stand the chair upright as shown (image 1), standing at the side of the chair with one hand on the back rest and one hand on the arm rest push these apart by pushing in opposite directions. Once the chair has started to open make sure the two-arm rest are free from there locking position by just lifting each one slightly, then you will be able to push the chair fully open by pushing the back rest and arm in opposite directions. If the chair does not want to open as shown, then the arms may be pushed back too far and caught on the back rest. If this is the case, release the arms by moving them forward and then try again.
- When you have the chair open with the legs fully apart (image 2) you can pull the back rest up into the upright position and push the arms down to lock the back rest in place.
- When you want to adjust the back rest whilst sitting in the chair just lift the arms up slightly and push the back rest back or pull forward on the arms.
- Then lifting both arms up slightly to release them from their locking position, pull arm on the arms rest and pull the back of the chair forward until the chair is closed, you might then need to fully close the chair by pushing the frame together.

# Warranty

Details on the warranty that comes with your product.

**Warranty :** 12 Months (1 Year) warranty.

## Warranty Claim

- In the unlikely event of a warranty claim, you must contact your retailer.
- If you have not registered your product, first fill out the registration form overleaf and take this with you when you go to your retailer.
- Take the product to your retailer that you purchased it from along with your proof of purchase and explain the issue with the retailer.
- The retailer will then check the product and get in touch with the wholesaler or manufacturer.
- The retailer will keep you informed of the progress of the claim.
- The wholesaler or manufacturer will not (unless under special circumstances) get in touch with you as all information will be passed back directly to the retailer.

## Warranty Information

- This product comes with a full 12 month manufacturers defect warranty and covers any manufacturers defects for one (1) year from the date of the original purchase. It does not cover any damage occurred though:
  - The product falling, being dropped, scratched or damaged in any way.
  - The product has been technically changed by the owner or another third party
  - Improper use of the product.
  - Normal wear and tear - which includes (but is not limited to): colour fading, wearing, stretching.
  - Weather damage - which includes (but is not limited to) U.V. degradation and colour changing.
- The affected part will be replaced or repaired (manufacturers option) if they are found to be defective within the one (1) year time frame.
- The warranty will be void if the product has been subject to neglect, misuse, improper installation, misapplication, alteration or accident including, but not limited to, improper installation, maintenance or use of unauthorised parts or attachments.
- Damage caused by not following the instruction manual in full will invalidate the warranty, if this results in consequential damages, Quest will not be liable for these damages or any costs incurred due to these damages.
- Quest will not be liable for material damage or personal injury caused by improper use or if the safety instructions are not properly executed in full.
- All claims must be made through the retailer you purchased the product from and not direct with the wholesaler or manufacturer.
- Warranty claims cannot be honoured without an original dated receipt and or proof of purchase.
- By executing repairs the original warranty period of one (1) year will not be extended, nor the right to a complied new warranty. This warranty is only legal on European soil.
- This warranty does not overrule the European directive 2011/83/EU.
- This product may not be amended or changed.

# RANGE FEATURES

**The Quest Kew range is all about style, ease of use and value.**

The Kew range uses an excellent steel frame, coated for extra weather resistance and great value for the end consumer. The fabric is a high quality PU coated 600D polyester, giving great durability and style.

## QTex Weave Fabric

This is a high quality hard wearing fabric which comes in different levels of padding and comfort. The material is extremely durable and easy to clean helping it last longer. The base material is a very high quality 600D polyester, but it has a modern PU coating which gives it extra durability and protection from the sun's rays without lowering the comfort levels of the soft fabric. This coating helps the chair to look better and last longer than its cheaper rivals. The fabric also has three levels of padding, Quilted which is the thinnest of the padding and helps keep the pack size and weight down. Then padded, which gives added comfort and finally extreme padded which gives the absolute maximum of comfort available..

## Style

The Kew range goes for a bold style that doesn't look out of place in the garden, on the beach or at a camp site. The modern green colour is accentuated with the grey frame and colour coded piping along with the white highlights gives the Kew range a great look.

## Value Frame

This is an excellent steel frame. It gives the end consumer great value for money whilst providing a strong and durable frame for the entire range. Its durability is increased by the high quality coating applied to the frame allowing it to last longer and giving it better weather resistance.

Image shown is in green as grey version was not available at time of printing.

**Cat No** F2081G

## Kew Recline in Grey

The recline gives you an amazing value reclining chair. The reclining back allows you to put the chair into different positions for different situations and it folds flat when not required, making it easy to carry or store away.

Styled to fit in with the rest of the Kew range and comes in red or green and has the anti-rock feet corners on the frame to improve the steadiness of the chair.

# Accessories

A few little extras to add to your product.

**Cat No** 124900
