## THE GREAT ADVENTURE

### 3. THE GREAT ADVENTURE

Visitors go off on an adventure with the characters. They will experience various aspects of fragility and learn how to use it to their advantage.

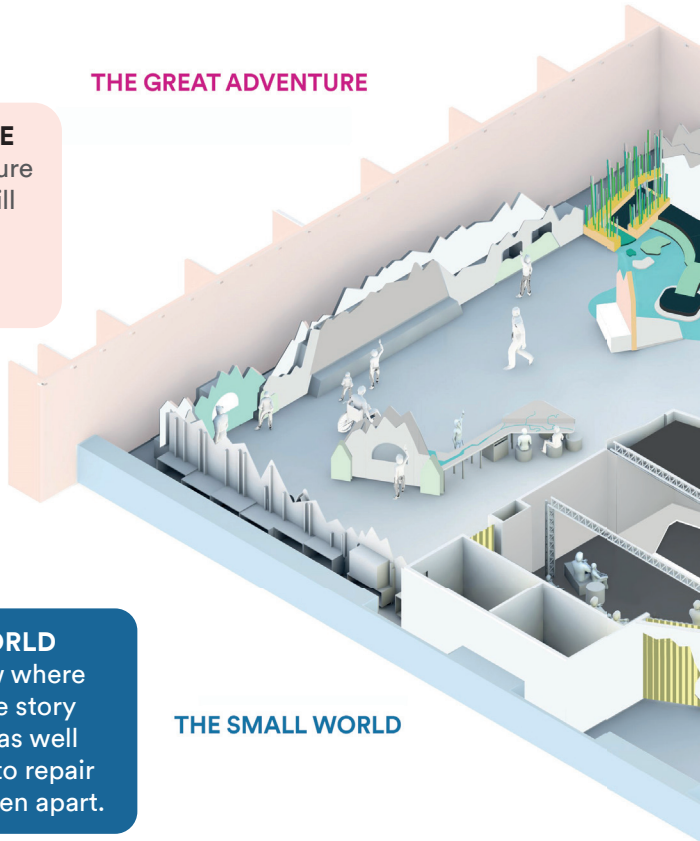

### 2. THE SMALL WORLD

An immersive show where visitors discover the story and its characters, as well as their challenge: to repair Rocky, who has fallen apart.

### THE SMALL WORLD

### 1. THE CABINET OF CURIOSITIES

To start exploring the concept of fragility and its meanings.

## ► An exhibition for children from 2 to 6 years old

The *Fragile!* exhibition is a story to wander through. This story talks about the adventures of mischievous, poetic characters, real guides and friends of our visitors who, with them, will learn what “fragile” means.

### 4. YARNDOLL LAND

In this land of healing, the final destination of this adventure, visitors will understand what means “putting the pieces back together”, both literally and figuratively, enables us to overcome fragility, and learn to respect fragile and broken things. In the workshop, they will finally be able to take care of Rocky in person, learn how to be gentle with those who need caring, and reread all the adventures they experienced with the different characters.
