## WHAT DO WE OFFER?

- Organization of the exhibition
- Your highlight for the duration of at least 2 months!
- Exciting exhibits from the Middle Ages with many interesting stories
- Spectacular decoration around our imposing animatronic dragons, which are faithfully reproduced, move, make typical sounds and spit smoke (size of the dragons: between 4-8m)
- Interactive games for children and families on the individual stations
- Decoration and planning of the entire exhibition area depending on the size
- Planning of a joint social media campaign
- Exciting workshops, artists, shows on highlight days
- Admission and ticket management if needed
- Culinary services, relaxation zones, etc. as required
- Set-up, dismantling and supervision of the exhibition

## WHAT ARE WE LOOKING FOR?

- A partner, to whom we offer our realistic and animatronic dragon-exhibition to increase the frequency and who provides us with a suitable area (ideally indoor or covered).
- A location from 500 m<sup>2</sup>, which we can breathe medieval-mystical flair into, to take its visitors into a magical dragon world.
