A SINGLE CONTACT PERSON to support and coordinate customer's events.

Member of the  network

PROFESSIONALISM, SAFETY, RELIABILITY OF EQUIPMENT AND FACILITIES, AND TOP SERVICE QUALITY FOR OUR CUSTOMERS (ORGANISERS, EXHIBITORS, VISITORS, DELEGATES, ETC.), THESE ARE THE COMMITMENTS WE MAKE TO THE DELEGATING AUTHORITIES AND THE PUBLIC IN THE VENUES WE MANAGE. ALL OF OUR VENUES ARE CERTIFIED SAFE AND CLEAN BY APAVE.

AN ESG APPROACH ON EACH VENUE OF THE NETWORK AROUND 3 AXES:

- Reduce carbon footprint
- Limit the use of disposables, maximize our circular economy
- Develop diversity and territories

Validated by the ISO 20121 certification deployed throughout the network in France and at the World Forum The Hague.

GL EVENTS, A GLOBAL PLAYER IN THE WORLD OF EVENTS

GL events is a world-class provider of integrated solutions and services for events operating across the three main market segments:

- conventions, conferences, congresses,
- cultural, sports, institutional, corporate and political events,
- trade shows and consumer fairs.

The Group operates on behalf of a broad range of public and private clients in France and throughout the world: companies, institutions, event organisers. It assists them at every stage of the process, from definition of their event strategies to final implementation in the field.

AN INTERNATIONAL GROUP

GL events has established its position as a top-tier international provider of solutions and services for events based on:

- More than 90 locations on five continents: agencies or venues under management,
- Participation in the largest global events: Olympic and Paralympic Games, World Cups, international meetings... for which GL events maintains a track record of success as an industry benchmark in terms of the quality of its services,
- Capacity to manage multi-national teams and projects,
- Highly effective logistics capabilities covering the entire supply chain.

CORPORATE SOCIAL RESPONSIBILITY

Since its sustainability policy, introduced in 2009, GL events has gradually integrated corporate social responsibility across its processes and business lines. Ongoing deployment of five programmes : Think Green (environment), Think People (employment and workplace conditions), Think Local (social progress), Think Ethics (compliance) and Think Safe (safety for all) are part of a continuous improvement approach; addressing different challenges according to the Group's activities: eco-design, waste management, power consumption, transport, certification, diversity, local value creation, etc.
