WE ARE DIFFERENT...

- **Our exhibits are always animatronic:** move and make sounds
- **Interactive games for knowledge transfer** at each exhibit
- **Experience - information boards:** simply prepared information boards with comics and fun facts also for children who cannot yet read.
- **Perfect and self-explanatory stand-alone solution:** the perfect exhibition that works without supervision; all stations are self-explanatory, intuitive and without any inhibitions to participate.
- **Matching supplements can be added:**
 - **Social media campaign** - We provide you with content for 2 weeks before and one month accompanying the event.
 - **Highlights** like artists, workshops or walking characters
 - **Puzzle rally** with info booklet with matching branded giveaways
 - **Specials:** photo point, interactive floors/walls, outdoor decoration
 - **Playcific - the safari adventure at home** (siehe <https://playcific.com/>)
