

Projects on Data Assimilation

2021, ENSTA Bretagne, IUEM

Date:

Thursday, March 25, 2021

Connection:

<https://imt-atlantique.webex.com/meet/pierre.tandeo>

Schedule:

- **13h30 to 14h00** → **“Tracking particles using a 2D advection model”**
- 14h00 to 14h30 → Questions to the students
- **14h30 to 15h00** → **“Estimation of physical and statistical parameters”**
- 15h00 to 15h30 → Questions to the students
- **15h30 to 16h00** → **“Estimation of friction parameters in a 1D estuary model”**
- 16h00 to 16h30 → Questions to the students
- **16h30 to 17h00** → **“Assimilate data in a simplified AMOC model”**
- 17h00 to 17h30 → Questions to the students
